# AUSTRALIA

At the bottom of the globe and the top of everyone's list, Australia is one of the most fascinating places in the world. There are tropical rainforests to explore, picture-perfect beaches to discover and colourful locals to have a yarn with.

PILLARS OF SPLENDOUR

The stunning Twelve Apostles, etched by centuries of erosion, are an Aussie icon well worth a trip down the coast from Melbourne.

# INFORMATION, TERMS AND CONDITIONS (Effective May 2016)

This is a condensed version of our terms and conditions that is relevant to the content within this brochure. For full terms and conditions please visit our website.

## 1 Overview

The following Information, Terms and Conditions form the basis of your contract with RCL Cruises Ltd trading as Royal Caribbean International. In these Terms and Conditions, 'you' and 'your' means and covers all persons named on a booking.

**Please Note:** If you book a Royal Caribbean International cruise-only holiday in conjunction with other services such as flights, on-shore accommodation and/or ground transfers which are arranged or provided by a travel agent or tour operator ('travel organiser') with whom you book (and not us), your contract for your entire holiday including the cruise and all other such services and arrangements will be with your travel organiser and not with us. The travel organiser's own booking conditions will apply to your contract with your travel organiser.

Please ensure you obtain a copy of these from your travel organiser before or at the time of booking to ensure that those terms are acceptable to you. **Please Note:** we do not have any liability to you in these circumstances. In any event, if we are found liable to you on any basis, our liability and/or obligations to you or your organiser will be no greater or different to the liability and obligations we have under these booking conditions to consumers who have a contract with us. In any such situation you will be fully entitled to rely on all defences, exclusions and limitations contained in the booking conditions set out below. Please read these conditions carefully. These terms and conditions are to be construed under the laws of NSW and you agree to submit to the jurisdiction of the court of that state in the event of dispute between you and Royal Caribbean International.

## 2 How to book and tickets

### How to make a booking

There are three simple ways to book your chosen cruise holiday:

- Contact your travel agent
- Telephone Royal Caribbean International on 1800 754 500
- Book online at [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au)

Your full name as it appears on your passport as well as your date of birth must be given at the time of reservation. By making a booking with us through any of the three methods you will be deemed to have agreed to our Information, Terms and Conditions copies of which can be obtained on line at [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au) or hard copy sent to you upon request.

Reservations made direct with Royal Caribbean International can be transferred to your preferred travel agent within 60 days of booking creation. Transfers requests outside of this time will not be permitted. Transfer requests can be requested once a reservation has been placed by calling 1800 754 500 to obtain the authorization form.

### Confirming your booking

Providing your chosen holiday is available and we have received your booking form (where applicable) and all appropriate payments, we will send our Confirmation Invoice to you (if booking direct) or your travel agent. Please note: It may not be possible to confirm your flight details at this point. If so, these will be confirmed to you at a later date.

A binding contract between us only comes into existence when we send out our Confirmation Invoice. A contract will exist at this point, even if we are unable to confirm your flight details at that time. This invoice will show the balance due to you on your holiday that still has to be paid and also your flight details (where applicable and/or available). Please check all details are correct as soon as you receive your Confirmation Invoice, cruise documents, flight tickets and any other documents from your travel agent or us. If any details appear to be incorrect, you must inform your travel agent or our Reservations department if booking direct within 7 days of us sending the document to your travel agent or you for all documents other than flight tickets and e-tickets and within 5 days for flight tickets and e-tickets. Once your airline tickets have been issued, all ticket coupons must be used in sequence as originally booked. Any flight sector not utilised will invalidate the ticket and the rest of the itinerary will automatically be cancelled.

### Cruise tickets

Your electronic cruise documents are emailed directly to you or to your travel agent as early as 50 days prior to your sailing. We no longer issue paper tickets. Your reservation must be finalised and paid in full in order to receive your documentation.

## 3 Paying for your cruise

### Deposits

We will require a deposit to secure your booking within 7 days of making your booking (or full payment if booking within 70 days of departure). On some cruises the deposit may be required on the day of booking or within 1-7 days of making the booking. After this time if your deposit has not been paid then your booking will be automatically cancelled.

Deposit amounts vary by cruise duration as follows:

Deposit (per person)	
• 1-6 nights	AUS100
• 7-14 nights	AUS200
• 15+ nights and Cruisetours	AUS400

A non-refundable service fee of AU\$50 per person must be paid on top of your cruise deposit to secure your flights and airfare for international departures. Some airfares may require full payment at time of booking, which may be non-refundable. If airfare payment is due prior to the cruise payment schedule, you will be advised at the time of booking. Airline taxes are subject to change until airfares are paid in full.

Any promotional Air Offers will incur an additional Deposit which may vary per itinerary. For example: 'Fly Free Promotions' Deposits will be non-refundable and due at time of cruise deposit. Additional deposit could be up to AU\$2,000 per person. Please contact our office or your travel agent to obtain details of the deposit due at the time of booking.

### Final payment

We must receive the balance of the cruise and/or flight costs (after deducting the deposit you have paid) not less than 70 days before departure (90 days for Holiday sailings – Christmas, New Year and Easter departures) unless you book 70 days or less before departure (90 days for Holiday sailings), in which case you must pay the total cruise and/or flight cost at the time of booking. If we have not received all monies due to us in full and on time, you will be deemed to wish to cancel your cruise and cancellation charges as set out below (see clause 30, Cancellations and Refunds) will apply.

When using your credit or debit card to pay us directly for your cruise, please be aware that we may process that transaction via a bank outside of Australia and your card issuer may choose to charge you a foreign processing fee. We advise you to check the terms and conditions of such foreign transactions with your card issuer in advance of making a payment to us.

All money you pay to a travel agent (whom we have authorised to sell our cruises) for your cruise will be held by the travel agent on our behalf until the money is paid to us. If you are unable to complete the online check-in process, this may be due to an outstanding balance on your booking. If you have booked via a travel agent, please speak to your travel agent so that the funds can be transferred to us to complete your online check-in.

## 4 What's included and not included

### What's included?

All prices shown on our website and quoted in our brochures are per person in Australian Dollars and are based on two people sharing the specified stateroom grade. Cruise prices include the following where applicable: full board accommodation, onboard main meals, entertainment\* onboard ship, gym, some fitness classes\*, sauna and steam room; onboard gratuities (where pre-paid); port charges and taxes.

\*A charge may be made for certain entertainment/leisure facilities or activities. Please see your travel agent or visit [RoyalCaribbean.com.au](http://RoyalCaribbean.com.au) for information.

### What's not included?

Unless otherwise agreed, the price does not include flights; departure taxes or airport improvement tax; transfers to/from the ship; shore excursions and personal expenses (for example, onboard drinks, laundry charges, health and beauty treatments, telephone calls, etc);

specialty dining venues onboard (cover charge of US\$35-95 to US\$95 per guest); hotel meals onshore (unless otherwise stated); transfers by any method if not travelling on the standard departure date(s); travel insurance; tips/gratuities either onboard or ashore (unless paid at the time of booking); anything else which is not specifically mentioned as being included in the price.

### Full day or half day

'Full day' or 'Half day' is used to give you an indication of how much time you will spend at each port. A 'Full day' allows you at least the morning and afternoon. 'Half day' allows you just the morning, just the afternoon or the afternoon and evening. You can find specific timings for your cruise at [RoyalCaribbean.com.au](http://RoyalCaribbean.com.au), but please note these are subject to change. Changes to the last confirmed itinerary for your cruise may become necessary, even after you have departed. See clause 35 (Changes to cruise) and clause 40 (Circumstances outside our control) for more details.

### Fuel supplements

Bookings made on or after 24 March 2014 will not be subject to a fuel supplement for the cruise fare. We reserve the right to reinstitute a fuel supplement in the future.

## 5 Pricing and 'guarantee' bookings

### \*Pricing

The prices quoted in our brochures show the lowest price ('Prices from') available on a specified sailing date. The price will vary by ship, itinerary, sailing date and stateroom grade. Where there is more than one departure date shown for the same cruise itinerary then the prices provided in our brochures are the minimum prices available for the lowest priced of the multiple departure dates. For current pricing, please contact your travel agent or visit our website.

### \*Guarantee\* (GYT) bookings

From time to time, we may offer you the option of making what we call a 'Guarantee' (GYT) booking. This means you may book a stateroom of a guaranteed category type (Interior, Oceanview, Balcony or Suite) on your chosen ship and cruise. However, the exact grade, number and location of the stateroom on the ship will be allocated by us (at our discretion) and at any time up until checking in at the port. Once your GYT stateroom has been allocated to you, we are unable to accept any changes requested by you. The benefits to you of a GYT stateroom are that after your booking has been confirmed, we may (at our discretion) upgrade your stateroom to one of a superior category to that originally booked at no extra charge to you. In any event, you are 'guaranteed' the minimum category of stateroom we agree to offer at the time of booking. At times, we may offer promotional GYT offers. These offers may not be combinable with any other promotion. Please check the offer concerned with your travel agent or our Reservations Centre for details. Please note that if you are upgraded to an oceanview or balcony stateroom/ suite, you may be allocated a stateroom/suite with a partially obstructed view. Such promotional GYT categories are defined as follows:

W	Suite/Deluxe	Y	Interior Stateroom
X	Balcony Stateroom	Z	Outer View Stateroom

**Please note:** If you book 2 or more cruises to be taken consecutively (back to back) and either one or all cruises are booked under a GYT basis, you may be allocated different staterooms on each cruise, therefore necessitating the need to move between staterooms on the changeover day between your consecutive cruises.

### Onboard Credits

From time to time we may offer Onboard Credit promotions. An Onboard Credit is a monetary amount in US Dollars which is applied to your onboard account for onboard purchases. Some Onboard Credits may not be combinable with other offers, please check the offer with your travel agent or our Reservations Centre. Any unused portion of the Onboard Credit will expire at midnight on the last night of your cruise and is not redeemable for cash at any time. Onboard Credit is not transferable between any cruises, including consecutive cruises.

## 6 Consecutive cruises

Consecutive cruises are two or more cruises taken immediately after one another (back-to-back) on the same ship. Please note that there may be duplication of onboard programmes, menus and entertainment. Please also note that due to the preparation of the ship between sailings, some shipboard facilities may not be available on changeover day. On the changeover day, it may be necessary for you to disembark the ship in order to comply with customs and immigration and to re-register your SeaPass™ for the new sailing. It may not be possible to retain the same stateroom on consecutive cruises.

Consecutive cruises are treated as independent cruises for the purposes of payment of deposits, balance due, dates and cancellation charges. Onboard Credit offers are not transferable between any cruises, including consecutive cruises.

### Jones Act – USA consecutive cruises

Please note that due to restrictions under the U.S. Passenger Vessels Services Act (Jones Act), we cannot accept reservations for consecutive itineraries that begin in one U.S. port and conclude in a different U.S. port. In the event such an itinerary is booked, Royal Caribbean International reserves the right to cancel one of the cruises at the guest's expense and/or the guest shall be responsible for any and all Jones Act fines that result due to such booking.

Local cabotage laws are subject to change at any time without warning. Downlines are not confirmed until written confirmation is received from Royal Caribbean Miami.

Any downline authorisations are taken at the guest's own risk due to itineraries and cabotage laws that can be changed at any time.

### Definitions:

'Downlining' – request from guest to embark or disembark at a port of call other than the scheduled embarkation/disembarkation port.  
'Closed Loop' – is a process that US Customs & Border Protection (CBP) place on an itinerary where all US Citizens are waived through without having to be checked electronically. Downliners would impact the processing of the entire sailing upon return and US CBP would view this as 'modified' closed loop itinerary. This would subject all guests to a full inspection and delay the departure process for everyone. Therefore, downlining is not permitted.

## 7 Dining and special requests

You have a choice of three options for dinner in the Main Dining Room:

- Fixed sitting – approximately 6:00pm and 8:30pm.
- My Time Dining™ (open seating).
- My Family Time Dining™ – available onboard selected sailings for the earliest dining time (varies by ship and sailing) for guests aged between 3-11 years at the date of sailing. This offers children quicker service during first dining seating and then they are transferred to the Adventure Ocean® kids club. Pre-paid gratuities/tips are discretionary for My Family Time Dining™.
- Dynamic Dining – available on Quantum®, Anthem of the Seas® and Ovation of the Seas®, This offers Total control and flexibility – our guests decide when and where to dine each night with no set dining times, no strict dress codes or assigned seats. My Time Dining™ and My Family Time Dining™ is subject to availability.

If you cancel because your preferred seating time is not available (whether or not this was confirmed at the time of booking), our normal cancellation charges will apply. Seating time requests cannot be guaranteed.

### Room service

Complimentary room service is available throughout the day. A US\$35 service charge will apply (except on Quantum Class ships) between midnight and 5:00am for items ordered from the Light Snacks menu. On Quantum Class ships, a US\$45 service charge will apply for orders between 11:00pm and 6:00am.

### Special dietary requirements

Please see our Special Dietary Requirements policy on our website [www.RoyalCaribbean.com.au](http://www.RoyalCaribbean.com.au).

### Other special requests

If you have a special request such as for a baby cot (crib) or refrigerator, please give details in writing to your travel agent at the time of booking. We cannot guarantee that we can provide equipment made by special requests. If a special request can only be met at an additional cost, that cost will either be invoiced to you prior to departure or will be payable onboard by you.

## 8 Travelling in Groups

A minimum of 8 staterooms is required to constitute a 'group' booking. Subject to that requirement, discounts and free places may be available when travelling in a group of 16 or more passengers. Please consult your travel agent for more information. Note that terms and conditions for those travelling in a group are different to those which apply to individual bookings.

### Common interest groups

From time to time we may invite various affinity groups of people onto our ships. Affinity groups are people with shared interests who choose to travel together. This may include on dates when you are sailing with us. Although we envisage that this will not affect the overall normal day-to-day operation of the ship, there may be occasions when certain facilities are unavailable to you whilst these groups are onboard. Please contact your travel agent or our Reservation Centre for details.

## 9 Alcoholic Beverages Policy

The minimum age to consume alcohol on Royal Caribbean International ships on sailings originating in:

- Europe, Asia, Australia and South America is eighteen (18), and
- North America is twenty-one (21).

The originating turnaround port dictates the policy (such as in a crossing from Europe to the US it would be 18 or from the US to Europe or Asia it would be 21). The minimum age to consume alcohol at our private destinations of CooCay® and Labadee® remains twenty-one (21) without regard to where the sailing originated. The Company retains the right, on rare occasions, to raise the minimum age of alcohol consumption on any sailing when local laws require or permit such a modification.

Guests wishing to bring personal wine or champagne onboard with them (either in their carry on or luggage) on embarkation day may do so, limited to two (2) bottles (no boxes) of 750ml each per stateroom. Only staterooms with at least one (1) guest meeting the minimum age to consume alcohol are eligible to bring bottles of wine or champagne onboard. Pier staff will inspect the bottles and if they appear to have been tampered with they will not be allowed to be brought onboard. When consumed in any shipboard restaurant, bar or dining venue, each bottle shall be subject to a corkage fee of US\$25. Alcoholic beverages that are purchased in ports of call or from onboard shops will be stored by the ship and delivered to guest staterooms on the last day of the sailing. Alcohol will not be delivered to any guest that does not meet the minimum age requirement. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage etc.) and will dispose of containers they reasonably believe to be holding alcohol.

Royal Caribbean International's Guest Conduct Policy may be enforced, up to and including disembarkation, if a guest violates any alcohol policy.

Guests who violate any Royal Caribbean International alcohol policies, (e.g. over consume, provide alcohol to people under the minimum age requirement, demonstrate irresponsible behaviour, or attempt to conceal alcoholic items at security and/or luggage check points or any other time), may be disembarked or not allowed to board, at their own expense, in accordance with our Guest Conduct Policies. Guests under the minimum age requirement will not have alcohol returned to them. Royal Caribbean International is committed to the responsible service of alcohol and reserves the right to revoke or otherwise restrict the service of alcohol to any guest, regardless of age.

If during a cruise a guest reaches a birthday that will change their adherence to our alcohol policy, they may visit the Guest Services Desk on that day and on showing their passport as proof of age, their records will be updated to allow them to purchase and consume alcohol, as long as the other requirements of our alcohol policy are met.

## 10 Health requirements

Please contact your doctor, at least eight weeks prior to travel for advice and the most up-to-date health requirements for all destinations featured in our brochures. Further information may be obtained from the World Health Organisation at [www.who.int](http://www.who.int).

### Pregnancy

Royal Caribbean International welcomes pregnant guests but (due to limited medical facilities on board) will NOT accept guests who will enter their 24th or later week of pregnancy by the beginning of, or at any time during their cruise. All pregnant guests are required to bring a doctor's fit to travel letter with them to the pier, stating the number of weeks pregnant at date of sailing and that they are not a high risk pregnancy. A copy with your booking number included, should be sent to Special Services at [special\\_needs@rcl.com](mailto:special_needs@rcl.com), in advance of sailing. Please check our website for full details.

## 11 Minimum age to travel

Infants sailing on a cruise must be at least six (6) months old as of the first day of the cruise, or twelve (12) months old as of the first day of the cruise for Transatlantic, Trans-Pacific, Hawaii, selected South American cruises and other selected cruises/cruisetours. For cruises with 5 or more consecutive 'sea days' (where the ship is not in port, including days spent 'scenic cruising') infants must be at least 12 months of age on the first day of the cruise. In consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or requests for exceptions to this policy.

**Stateroom occupation rules**  
For cruises that commence from departure port in Europe, Asia, South America, New Zealand or Australia, the minimum age requirement to sail is eighteen (18).

For all other cruise departure countries, the minimum age requirement to sail is twenty-one (21). Guests who do not meet the age requirement will not be assigned to a stateroom unless accompanied in the same stateroom by an adult meeting the age requirement. This age limit will be waived for children sailing with their parents or guardians in connecting staterooms. A guest's age is established as their age upon the first day of sailing.

Connecting staterooms are counted as different staterooms for this policy, except for minors sailing with their parents or legal guardians in adjacent staterooms. Adjacent staterooms are staterooms that are physically directly next door or directly across the hall – the doors to the staterooms have to be in the same hallway as one another.

The only exception to this policy is for married couples (16 years and above on cruises commencing from non North American ports) who are allowed to sail together in a stateroom without anyone over the age of 18/21 being required. Documentary proof of marriage will be required in advance.

**Note:** Bookings MUST be made by calling into a Royal Caribbean booking office in order to qualify. The Royal Caribbean International website, Cruisingpower, and external booking tools will not allow guests under 21 to book a stateroom.

Adults who are not the parent or legal guardian of any minor aged 17 or under travelling with them are required to present the minor's valid passport and applicable visa (or for domestic Australian sailings a certified copy of minor's birth certificate) and 1 original legally affirmed or notarised letter signed by at least one of the minor's parents/legal guardians along with 1 copy of the legally affirmed or notarised letter. The letter must authorise the travelling adult to take the minor on the specified cruise and must authorise the travelling adult to supervise the minor, sign applicable sports waivers and permit any medical treatment that must be administered to the minor which in the opinion of the treating doctor needs to be carried out without delay.

A letter can be legally affirmed or notarised by a practicing solicitor, notary or commissioner for oaths who may charge a fee for this service. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise.

We will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the holiday as a result of the failure to produce a letter of authorisation as set out above.

We will not pay any compensation or give any refund to any minor who we have not permitted to board the ship, any person paying for the minor's holiday (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the cruise themselves as a result of the failure to produce a letter of authorisation.

**Please note** that parent(s)/legal guardian travelling with a minor who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/divorce papers etc. to prove that they are the parent(s)/legal guardian of the minor(s) concerned.

Individual staterooms can be booked by married couples one of whose minimum age is eighteen (18) (proof of marriage is required at time of booking).

Onboard there are certain facilities where entry is restricted by age. Persons using the Day Spa must be over the age of 18 and over 16 to use the Fitness Centre. Full details of onboard facilities with age and height restrictions are contained within the Daily Programme, which is available from the Guest Relations Desk.

## 12 Activities for children and infants

There are children's facilities, activities, and entertainment and babysitting services onboard all Royal Caribbean ships. Please note that facilities and activities vary by ship/itinerary and conditions and fees may apply. Please consult your travel agent or Royal Caribbean at time of booking for further information or see our website for details.

We respectfully ask parents not to allow their children to play uncontrolled on deck, in lounges or on the dance floors, especially during the evening. Children are not permitted in the Casino at any time. Swimming activities are not supervised and no minor or infant is allowed to enter the pool wearing nappies (diapers) including swimming nappies. Children or infants can only swim if they are toilet trained and under their parent/guardian's supervision.

## 13 Guests with special needs

You must ensure that you are medically and physically fit to travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after booking) you must tell us or your travel agent in writing about any medical or physical condition which will or may require medical treatment or attention during your holiday or which may will affect your holiday in any way (including your use of any services or facilities). Please provide us with much information as possible.

Most of our ships have selected staterooms designated for guests with physical disabilities. Please contact our Reservations Department for further information. Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. If you would like to bring a motorised wheelchair or scooter onboard you must contact our Reservations Department at time of booking to provide the dimensions as size limitations may apply and we may not be able to accommodate this request. Certain conditions (for example, use of tenders or some shore excursions) may prevent guests with wheelchairs from going ashore at certain ports of call.

Guests affected by a disability or medical condition must be self-sufficient and travel with someone who can provide all necessary assistance. We regret we must reserve the right to refuse to allow anyone to travel who, in our reasonable opinion, is physically or mentally unfit to travel or will or may require care beyond that which any travelling companion or we ourselves can reasonably provide.

## 14 Visas and passports

For all international sailings a valid passport and appropriate visa will be required. You are responsible to ensure that you have all necessary visas and that your passport is up to date and will remain valid for at least 6 months from the date of the termination of your cruise. Please check the applicable passport and visa requirements (including multi-entry visa requirements and for additional visa photos) with the embassies of the countries you will be visiting during your cruise, or check the up-to-date position with your travel agent in good time before departure.

Guests who do not possess the proper documentation may be prevented from boarding their flight or ship or from entering a country and may be subject to fines. No refunds will be given to individuals who fail to bring proper documentation. We do not accept any liability if you are refused entry onto any flight or into any country or otherwise suffer any difficulties or incur any costs as a result of not having an acceptable passport or any required visas).

Certain Port Authorities may from time to time ask to see photo identification when you depart the ship during the cruise. We strongly suggest that you take a photocopy of your passport (in addition to your passport itself) with you on holiday and carry the photocopy with you each time you depart the ship in order to minimise any inconvenience this may cause.

## 15 Identification required

It is the sole responsibility of the guest to identify all travel documents such as passport and visa requirements for boarding the ship and entry into the countries visited on your cruise.

For domestic Australian voyages calling in only Australian ports, Australian citizens require either a valid passport or government issued pictured and laminated ID card (drivers licence/proof of age ID card/military ID card/government (federal, territory, city etc ID card/employee ID card)) to be used as identification. For all other nationalities, a passport (plus visa if needed in Australia) is required. Children aged 17 years and under will require a passport or Birth Certificate to travel or government issued photo ID.

Children under 16 years of age who do not have a passport or Photo ID, must have a copy of their birth certificate or their parents Medicare Card. If the child has a different surname to the parent or guardian then they can use a Medicare Card as identification as long as a parent's name travelling with the child is included on the same card.

For all other sailings to ports/destinations outside of Australia: see clause 14 (Visas and passports).

## 16 Checking in

Check in via our website can be completed up to 4 days before your sailing. To check in online, visit [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au), click on 'Before Cruising', then click 'Online Check-in'. If you haven't checked in online, bring your ticketing and identification documents with you to the cruise terminal where one of our guest assistance agents will verify your identification documents and complete your check in. Luggage will be delivered to your stateroom as soon as possible after boarding. We recommend that items such as medicines are packed in your hand luggage.

**Please note:** All guests must be checked-in and onboard the ship no later than 90 minutes prior to the published sailing time or they will not be permitted to sail. If you are not onboard at least 90 minutes before the ship's scheduled sailing time, we are entitled to assume that you do not intend to travel. Your booking will then be cancelled, 100% cancellation charges will be payable and no refund will be made. Please note, for security reasons, you will not be permitted to bring any visitors onboard the ship in any port.

## 17 Onboard purchases

### Onboard currency

The currency used onboard all Royal Caribbean International ships is US Dollars.

### Your onboard account

All Royal Caribbean International ships operate on a 'cashless' system. When you check in you will receive a SeaPass™ account card and all purchases made onboard the ship are made using this card. At the end of the cruise you will receive a statement summarising the charges on your account. To settle your account we require you to register your credit card at check-in. As all onboard accounts are payable in US Dollars, your credit card provider or financial institution may levy a foreign exchange transaction fee. Please note that when paying by credit card we obtain daily authorisations from your bank or financial institution, in some cases these may be held for up to 10 days for credit cards and 30 days for debit cards, after your cruise ends and will show as a pending/pre-authorisation transaction. For this reason we do not recommend the use of Debit Cards. Our ships do not accept Australian bank issued foreign currency cards; if these do not contain your name either printed or embossed on the front of the card.

Royal Caribbean International SeaPass™ accounts may be settled in cash. We cannot accept personal cheques and any currency other than US Dollars. A cash machine is available on all Royal Caribbean International ships which dispenses US Dollars (US\$5 fee per transaction will be levied for this service), and Euros (€5 fee per transaction) for European sailings.

## 18 Weather

Our cruises encompass a variety of continents and destinations and therefore the weather in each region will vary. Some of the destinations visited are tropical and may experience heavy rainfall or strong winds (sometimes hurricane force) at certain times of the year. Royal Caribbean International cannot accept liability for adverse weather conditions during your cruise holiday.

## 19 Smoking policy

A guest must be at least 18 years of age to purchase, possess or use tobacco onboard.

Smoking is not permitted inside any stateroom or on any stateroom balcony or our ships' casinos. Our ships are designated as non-smoking; however, we recognise that some of our guests smoke. Therefore, cigarette, cigar and pipe smoking is permitted in designated outdoor areas of the ship. The outdoor smoking areas will be listed in the Celebrity Today (available onboard). Review our Smoking Policy online at [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au).

## 20 Casino

There is a fully equipped Casino onboard all Royal Caribbean International ships with games such as blackjack or roulette, as well as slot machines. Please note that the Casino is closed whenever the ship is in port. Guests under the age of 18 are not permitted in the Casino at any time. Guests are advised that the use of any video recording or camera equipment is strictly prohibited in the Casino. Guests who request a cash transaction from casino cashiers (including cash advances and the purchase of casino chips and tokens) will be charged a transaction fee which will be charged to your SeaPass™ account along with the amount of the cash transaction.

## 21 Medical services onboard

There is a medical centre staffed by qualified doctors and/or nurses onboard all Royal Caribbean International ships. The medical services available and medications kept onboard are limited, and guests must bring an adequate supply of any specific medications they require. Our medical facilities are not intended or designed to serve as a clinic for guests.

Please note that there is a charge for all medical services provided by the onboard medical centre (including medication, consultations and treatments) and charges are not covered by private health insurance policies or by Australian Medicare and the New Zealand Accident Compensation Corporation (including cruises sailing to only Australian and New Zealand ports). We strongly recommend that you take out travel insurance that will cover any such charges. Please check with your insurer that such charges are covered by the insurance that you purchase. Charges are based upon U.S. Government Medical Physician Fee schedules which are available upon request from the Guest Relations Desk.

Royal Caribbean International is not responsible for the diagnosis, treatment or services furnished by shipboard medical personnel.

## 22 Gratuities (tips)

On all of our ships, it is customary to offer gratuities (also known as 'service charge' or 'tips') to staff members who work to enhance your cruise experience. For guests' convenience we automatically add your onboard gratuities to our cruise fare so that they are pre-paid in Australian Dollars in advance of your holiday. If you do not wish to pre-pay your gratuities you must make this known to us or your travel agent at the time of booking.

Pricing in our brochures includes a recommended total of AUS\$75.19/5per guest (AUS\$21.45/25.78for suite guests) per cruise night, as adequate to cover dining services staff, stateroom attendants and other housekeeping services personnel for adults and children. An 18% gratuity is also automatically added to beverages, mini bar items, spa and salon purchases. Royal Caribbean reserves the right to adjust the recommended daily gratuity amounts.

If you have not pre-paid gratuities at time of booking, Royal Caribbean

### 31 Changing your booking

Subject to clause 29 (Price changes) and availability, some changes (excluding changes to ship or sailing date) can be made to your booking. You may request changes via your travel agent up to 45 days before departure. We will make every effort to meet your change request; however, we cannot guarantee that we will be able to make any requested change. Please note any booking that is modified after the promotion has ended will result in the loss of the promotion. Examples of changes that will result in the promotion being forfeit are including, but not limited to: change of ship, sail date, category booked, amending the travel agency ID or selecting an alternate price/promotion. Up to 45 days before departure an administration fee of AU\$50 per booking will be payable for each change requested. If you request a change within 45 days of departure, this will be treated as a cancellation of your original booking and cancellation charges as set out in these terms and conditions will be payable. The changed arrangements will then be treated as a new booking.

If you or any of the people travelling with you are prevented from taking the cruise you/ they may give you/their place on the booking to someone else (suggested by you). In this situation, providing we are given not less than 14 days' notice in writing of your wish to make the change, we will permit the name change on payment of an administration fee of AU\$50. A maximum of only one passenger name may be changed per stateroom.

You must produce documentary proof of the reason for the transfer with the request (e.g. a letter from a doctor). You must ensure that the administration fee and any charges/ costs – as well as any amount which is still due to be paid for the cruise – are paid in full as required. We reserve the right to cancel the booking if any charges remain outstanding.

### 32 Travel insurance

All guests must obtain appropriate personal travel insurance at the time you book your cruise, which includes a minimum cover for the cost of cancellation of your cruise, the cost of assistance including repatriation in the event of an accident or illness, and the cost of medical treatment in the onboard medical centre. All services provided by the onboard medical centre (including medication, consultations and treatments) are not covered by private health insurance policies or by Australian Medicare and the New Zealand Accident Compensation Corporation (including cruises sailing to only ports within Australia and New Zealand). We recommend that you contact your travel agent or an independent insurance broker for details of suitable policies.

### 33 Luggage and personal belongings

#### Luggage allowance

The maximum luggage allowance for guests boarding our ships is 90kg per guest. Airlines also impose their own luggage allowance, with which you must also comply. We strongly recommend that you check with your airline directly for confirmation of your baggage allowance as allowances vary by airline and excess luggage fees may apply.

#### Personal belongings

Please make sure that all valuable and important items (for example, medicines, jewellery, fragile items, important travel and other documents, video/camera/computer equipment) are carried by hand and not packed in your luggage or left unsecured in your stateroom or elsewhere onboard ship. Special care must be taken of such items.

For your protection once onboard, all valuable and important items should be deposited with the Guest Relations Desk or, where available, in your stateroom mini-safe. You are also strongly advised to take out appropriate and adequate insurance to protect such items. We cannot accept any responsibility or liability for any valuable or important items which are not deposited with the Guest Relations Desk for safekeeping. For items which are so deposited, the most we may be liable to pay you if any item(s) is lost or damaged (for any reason) whilst in our care is AU\$1,500 per guest, per cruise.

#### Banned items

You must not pack in any luggage or bring onboard any item specified as dangerous or illegal (e.g. weapons (including guns & knives, regardless of length), explosives, drugs, animals, flammable items, etc.). The following items are also not allowed on board our ships: irons, coffeemakers, candles, powerboards/extension cords and electrical transformers.

If connecting by air, please refer to your airline for carrier restrictions. In addition, we may specify other items which you must not bring with you and may also refuse to allow you to take onboard any item which we consider to be inappropriate. If we or the Master of the ship have reason to believe that any cabin may contain any item or substance which should not have been brought onboard, the Master or an authorised Officer has the right to enter and search the cabin concerned and seize any such item or substance. Special Notice: Due to the new enhanced airport security measures, please ensure that any sharp items, including but not limited to scissors, razor blades, nail clippers, tweezers and knitting needles, are packed in your check-in luggage and not in your hand luggage.

### 34 Lost, delayed or damaged property

This clause applies in relation to any loss, delay or damage to property which occurs during your cruise or whilst getting on or off the ship or whilst using any services provided or arranged by us, except for any claims in relation to any valuable or important items (see clause 33, Luggage and personal belongings). If you discover the loss, delay or damage when you are onboard, you must immediately report it to the Guest Relations Desk. The time limits for notifying any loss, delay or damage, and the maximum amount which will be payable by us or the supplier concerned, are as follows: Any damage or delay, which is apparent, must be notified to ourselves and the supplier of the service concerned (if it is not us) before or, at latest, at the time of departure from the ship or, for other services, whilst using or at the end of using those services. In any event, any loss, damage or delay, must be notified to ourselves and the supplier of the service concerned (if it is not us) within 7 days of departure from the ship or the end of your using the service in question. We accept no liability for any loss, damage or delay which is not notified to us within 7 days of your departure from the ship.

This will also be the case where any property is damaged, delayed or lost whilst you are not on board or are getting on or off the ship but using other services (apart from air travel) which form part of the holiday we have contractually agreed to provide. In all cases, you must disclose to us any payments you have received or will receive from any airline and/or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold. In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any/all insurance companies. Claims will be subject to depreciation for items owned for over 12 months from the date of purchase.

- Lost, delayed or damaged luggage during cruise – Non-European Union embarkation and disembarkation ports  
For guests making bookings which involve cruise itineraries where the place of departure and destination is both from and to a non-member state of the European Union, subject to such not being in conflict with local law, we limit our liability to you for loss of damage to luggage in accordance with Athens Convention. In summary, the current maximum limits that apply in the event of our liability for damage and loss to baggage, where baggage is deposited with the ship, this is limited to AU\$1,000 per guest per cruise.
- Lost, delayed or damaged luggage during air travel – EU origin or destination ports  
For guests making bookings which involve cruise itineraries where the place of departure or destination is a member state of the European Union, subject to such not being in conflict with local law, we limit our liability to you for loss of damage to luggage in accordance with EU Regulation 392/2009. In summary, the current maximum limits that apply under EC 392/2009 in the event of our liability for damage and loss to baggage, where baggage is deposited with the ship, this is limited to 3,375 Special Drawing Rights (SDRs) and for damage and loss to cabin luggage this is limited 2,250 SDRs.
- Lost, delayed or damaged luggage during air travel  
Any damage, delay or loss suffered during any travel by air (including the process of getting on and off the aircraft) must be notified to the airline at the time of discovery or, in any event, in writing within seven days of the end of the flight concerned for damage or loss or within 21 days of the luggage being made available for you in the event of delay. We accept no liability for loss, delay or damage to luggage during any air travel (including when luggage is being loaded onto or off the aircraft) concerned. For most international flights, the Montreal Convention 1999 applies and the maximum the airline will have to pay you at present for loss, destruction, damage, delay of luggage is the maximum payable under the Convention (currently approximately US\$1,500 per passenger) unless special conditions apply. For flights chartered by RCL, if we were for whatever reason to be held liable to you for such a loss, delay

or damage the maximum we will have to pay you in the event of any damage, destruction, delay or loss of luggage or property is the most which is payable under the relevant international convention or regulation. In all cases, you must give us credit for payments received from any airline or other supplier in connection with your claim. You must also give us details of any relevant insurance coverage you hold. In appropriate cases we are entitled to ask you to reduce your claim by the amount received from any insurance company.

### 35 Changes to cruise

We cannot guarantee that ships will call at every advertised port or follow every part of the advertised itinerary. We and the Master of the ship have the right to omit any port(s), call at any additional port(s), deviate from the advertised itinerary in any way or substitute another ship or port. In addition, we will not be responsible for any failure to meet the arrival or departure times shown in our brochures/on our website for any port(s) or call. Normally, changes in the itinerary are to protect the interest and safety of our guests.

Changes to the last confirmed itinerary for your cruise may become necessary after you have departed for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. We will of course do our best to avoid any changes which will have a significant detrimental effect on your last confirmed itinerary. However, we cannot accept any liability in respect of any changes which result from circumstances outside our control (see clause 40) or which do not have a significant detrimental effect.

Occasionally, we have to make changes to and correct errors in our brochures and other details both before and after, bookings have been confirmed and, even more rarely, cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we reserve the right to do so. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of the following options for significant changes:

- Accepting the changed arrangements, or
- Purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. The price of any such holiday shall be applicable. This will mean you will pay more if it is more expensive or receive a refund if it is cheaper than your original holiday
- Cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

Please note, the above options are not available where any changes made are minor or insignificant. If your cruise has been cancelled and flights have been purchased as part of a (Fly-Free or Reduced Air) promotion, then these flights must be cancelled and cannot be taken without the cruise. For all other air purchases through Royal Caribbean Cruises on a cruise that has been changed or cancelled, you will be contacted by the Air/Sea Department to organise the reschedule of your flight arrangements if necessary.

A significant change is a change to your confirmed holiday which can reasonably be said to have a significant effect on it. Examples of significant and minor changes are as follows: Significant change: a change from two days port of calls to two days sailing instead. Minor change: a change from one port of call to another; a change from one day's port of call to one day's sailing; a change in timings for any port(s) of call but the ship still calls at the port concerned; a change in order of ports that are visited.

Very rarely, we may be forced by 'force majeure' (see clause 40) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from our suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

### 36 Eligibility to travel and guest behaviour

#### Refusal of booking request or passage

To facilitate our ability to continue to provide safe and enjoyable cruises to our guests, we reserve the right to refuse to accept a booking request from an individual or group and reserve the right to cancel an existing reservation. If, in our, the ship's Master or Doctor's reasonable opinion, you are or appear to be unfit to travel for any reason or pose a risk or danger to yourself or a danger to others or behave in such a way as to cause or be likely to cause danger, upset or distress to any third party or danger to property, we are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you. The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday.

If you have failed to give proper notice of any physical or mental disability or condition (including informing us of any change or deterioration in any notified disability or condition) which will or may require care beyond that which any travelling companion or we ourselves can reasonably provide, we are entitled to refuse to allow you to travel. However, at our discretion, the cruise only fare may be refunded.

#### Guest behaviour

On every Royal Caribbean International ship, we are committed to providing every guest with an excellent cruise holiday. You can view the Guest Conduct Policy on our website at [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au). Any guest breaching our Guest Conduct Policy may at our absolute discretion be disembarked by us at their own cost.

### 37 Flights/air

Royal Caribbean can arrange your pre and post-cruise flights and occasionally offers flight promotions. All flight prices will be quoted per person in Australian Dollars. Airline and Government taxes are subject to change until the airfare is paid in full and ticketed. Flights are booked in Economy class, unless otherwise stated. All flights are subject to availability. Some airlines may require full payment at time of booking, which may be non-refundable. If airfare payment is due prior to the cruise payment schedule, you will be advised at the time of booking. For information on flight changes/cancellations/refunds policy, please refer to our complete Flights/Air terms and conditions on our website [www.royalcaribbean.com.au](http://www.royalcaribbean.com.au). Please contact the Air/Sea Department or your Travel Agent to obtain terms and conditions of specific flight promotions.

### 38 Making a complaint

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Guest Relations Desk onboard ship and the supplier of the service(s) in question (if not us). This is to ensure that we are given the opportunity to address and to attempt to resolve any issue you raise. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction and you wish to follow this up you must write to us on your return to the following address:

Attention Guest Relations, PO Box 1257, North Sydney, NSW, Australia 2059 or [customerservices.au@rcclpa.com](mailto:customerservices.au@rcclpa.com)

You must provide your booking reference number and full details of your complaint within 28 days of your return from holiday unless a different time limit applies to your claim – see clauses 33 and 34. We will only accept complaints from the lead name of a booking. If your complaint is written on behalf of other members of your travelling party, their full names and booking reference numbers must be clearly stated in the correspondence together with their authority for you to handle the complaint on their behalf. If you fail to follow this complaints procedure, your right to claim compensation may be affected or even lost as a result.

We both agree that any dispute or claim will be dealt with by a court located in New South Wales, Australia to the exclusion of the courts of any other state, territory or country.

We can only pay you compensation if the following conditions are met:

- If asked to do so, the person(s) affected must transfer to us any rights they have against the supplier or whoever else is responsible for your claim and complaint.
- The person(s) affected must agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights transferred to us.

### 39 Liability

#### Our liability

- Subject to Our Limit of Liability below we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we will accept responsibility if, for example, you suffered death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, or anyone else for whose actions we are legally responsible to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what we employ if we employ (for employees) or carrying out work we had asked them to do (for agents and suppliers).

- We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- The act(s) and/or omission(s) of the person(s) affected or any member(s) of their party; or
- The act(s) and/or omission(s) of any third party for whose actions we are not legally responsible whether or not connected with the provision of your holiday and whether or not those acts and omissions were unforeseeable or unavoidable; or
- 'Force majeure' as defined in clause 40. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses.

Please note we cannot accept responsibility for any services which do not form part of our contract such as the provision of medical diagnosis or treatment either on board or ashore during your cruise duration. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to, provide for you where the services or facilities are not advertised in our brochure, and we have not agreed to arrange them. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you. The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws and regulations of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the US, which would have applied had those services been provided in the US. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

#### Our limit of liability

This contract and the terms and conditions of it are governed by NSW law. The terms below regarding the limits of liability under certain International Conventions are only applicable in the event that any of those Conventions are found applicable as a matter of NSW law. In all other circumstances our limit of liability is that set out in the Civil Liability Act (NSW) 2002. In addition, nothing in these terms and conditions affects our right to limit our liability under the Limitation of Liability for Maritime Claims Act 1989.

- For guests making bookings which involve cruise itineraries where the place of departure and destination or the flag of the vessel upon which the cruise is booked the provisions of the Convention relating to the Carriage of Passengers and their luggage by sea 1924 (The Athens Convention) may apply to your cruise as well as the process of getting on and/or off the ship at all times during your cruise. Please note however that Australia is not a signatory to the Athens Convention and unless the Athens Convention is deemed to apply as a matter of law, the terms of the Athens Convention do not apply as a matter of contract between you and us.

Where the Athens Convention does apply, for any claim involving death or personal injury or delay or loss of or damage to luggage the only liability we have to you is in accordance with The Athens Convention. This means you are not entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The Athens Convention. Any claims covered under The Athens Convention must be made within the time limits set out in The Athens Convention. The Athens Convention limits the maximum amount we as the carrier have to pay if found liable in the event of death or personal injury or loss or damage to luggage and makes special provision for valuables. For claims concerning luggage and valuables, please see other clauses of these terms and conditions. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is, except as otherwise expressly set out in the Booking Conditions, the most the carrier or hotel keeper concerned would have to pay under any contract or International Convention or Regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation or pursuant to their own terms and conditions in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request.

- For guests making bookings which involve cruise itineraries where the place of departure or destination is a member state of the European Union, subject to such not being in conflict with local law, we limit our liability to you for death and personal injury or loss of damage to luggage in accordance with EU Regulation 292/2009 if that Regulation is found to be applicable. In all other cases as stated above our liability is limited pursuant to the Civil Liability Act 2002 and Limitation of Liability for Maritime Claims Act 1989.

In summary, the current maximum limits that apply under EC 392/2009 in the event of our liability for death or personal injury caused by a shipping incident is 250,000 special drawing rights (SDRs) unless such is caused by an act of war, natural phenomenon, civil war, terrorism or any other exception set out in the Athens Convention. Where we are found to have been negligent this limit is increased to 400,000 SDRs. The limit of our liability for death and personal injury for non – shipping incidents is limited to 400,000 SDRs.

#### Your liability

You must ensure that you are using an up-to-date brochure when you book your cruise. We cannot accept any liability whatsoever for any mistakes or any incorrect/inaccurate information which results from the use of any out-of-date brochure. It is your responsibility to ensure that you and everyone travelling with you have all necessary passports, visas and all other travel documents and that these are valid and in order.

### 40 Circumstances outside our control

Except where we specifically say otherwise in these Information, Terms and Conditions, we cannot accept any liability or pay any compensation where your cruise or any other services we have promised to arrange or provide cannot be provided at all or as promised as a result of circumstances which are outside our reasonable control ('force majeure'). When we talk about circumstances which are outside our reasonable control, we mean any event which we or the supplier of the service in question could not have avoided even after taking all reasonable care. Such events include but are not limited to war or threat of war, acts of terrorists or threats of such acts, riots or civil unrest, industrial action, natural or nuclear disaster, fire, adverse weather conditions, health risks, epidemics, mechanical difficulties (which we could not have anticipated or

avoided despite our normal comprehensive mechanical checks) acts of God and all circumstances whatsoever which are outside our reasonable control.

### 41 Other conditions which apply to your cruise

Airlines and our other suppliers have their own conditions which may apply to you. Some of these conditions may limit or exclude the airlines' or other suppliers' liability to you, often in accordance with international conventions. Copies of the relevant parts of these conditions should be requested and obtained by you from the supplier.

### 42 Price and brochure accuracy

Royal Caribbean International policies and procedures are constantly evolving. At the time of printing, all those listed in our 2016-18 brochure were correct. Please note: The information and prices shown in our brochure may have changed by the time you come to book your cruise. Whilst every effort is made to ensure the accuracy of the brochure and prices at the time of printing, regrettably errors do occasionally occur. You must therefore ensure that you check all details of your chosen cruise with your travel agent or with us direct, at the time of booking. Pricing correct as of June 2016. Brochure printed in July 2016.

# Questions...

## Frequently Asked Questions

### Do I need travel insurance?

We strongly recommend you purchase travel insurance, for both domestic and international voyages, at the time of paying your deposit. If in the unlikely event that you need to cancel your cruise you may not be able to recover such items as cancellation charges, medical costs and other expenses that are charged under our cancellation policies.

### Which currency can I use onboard?

The currency used onboard all of our ships is US Dollars. We operate a cashless system which you can settle by cash or credit card. For your convenience, there are ATM and Foreign Exchange facilities on each ship.

### What is the voltage available onboard?

There are two different types of power points available in the staterooms onboard. There is the 110v American power point that uses the 2 flat pin plugs and a 220v European power point that uses the 2 round pin plugs. It is recommended that you use the 220v European power point as Australian appliances will be able to use this without the need of a transformer to convert the voltage.
